

## Overview of the Phylaxis Society's Website

The home page of our web site, <http://thephylaxis.org> (attachment 1), redirects visitors to any of six independent web sites. Links to these independent sites also appear at the top right of most of our web pages.

The main Phylaxis site, <http://thephylaxis.org/phylaxis/> (attachment 2), contains links to most of the pages in the public part of our site; it does not have links to some of our PDF files.

Part of our site is inaccessible to visitors without user names and pass words to access the hidden part of the site (attachment 3). Visitors must register in order to create a user name and pass word, and they must be members of the Society to register. A link to the LOGIN page is on the bottom left of most pages.

Only those administrative officers who have the highest access level can see all the content shown in attachment 4.

Members of the Board of Directors should examine the content shown in attachment 4; many of the reports are there for benefit of the board and officers of the Society. That attachment shows the privilege levels needed to see various parts of the hidden material. Privileges levels of 10, 20, and 30 have the greatest access. Level 40 is for officers of the Society, and 50 applies to any member.

Note that four groups of links appear on pages of our site. 1) The top right corner has links to the six independent web sites. 2) The top left has links to the main divisions of the current web site. 3) The bottom right has links to additional pages associated with the current division. 4) The bottom left has corporate links.

Sample pages of our membership database are shown in attachments 5 and 6. Our membership database is set up so that members registered on the web site can update some of the material shown on the bottom part of the membership ledger page. Instructions are published on the web site and are shown in attachment 15. This feature has not been heavily advertised, so few members take advantage of it.

Attachment 7 shows a page from a database set up to show tables of content (TOCs) for our magazines. There are a couple of problems with this database. First, the Society does not have access to all its magazines, so we cannot create TOCs for some of them. Also, each time we publish a new magazine, someone needs to enter the TOC into this database. For this to happen, the Editor of *The Phylaxis* needs to create an Adobe InDesign "Package" for each magazine and send that package to the Executive Secretary for the society's archives. The person who updates the Magazines Database will need to access this package. This database can become a valuable research tool, and the quality of the TOCs will go a long way to increasing its value for Masonic researchers.

The Masonic Sites Database alluded to in Attachment 8 can also be a valuable research tool when it is populated with data. Every member can contribute to this effort by seeing to it that the data for his lodge is put into this database.

Attachment 12 implements membership policy of the Society.

When the board or the president identifies programs to be advertised or promoted, they can have them highlighted on the page featured in attachment 13.

Attachment 14 is an example of the kind of reports we can generate from data contained in our membership database. This attachment is a list of life members with whom we have lost touch because we have no good address for them. Some of them might be deceased, and if they are, they need to be coded as deceased in our database. If any of these members is alive and his mailing address is known, he can be reactivated.

Attachments 17 and 18 are two versions of an Officer's Roster. The first one is easier to read, but the second one gives important information about the status of officers, such as whether they are active or suspended, alive or deceased, and whether or not they are actually members of the Society.

Attachment 24 shows what is contained in our dues notices. There are three varieties depending on how far behind a member's renewal is.

### WELCOME TO THE PHYLAXIS SOCIETY

[Membership Requirements](#)

[Membership Application Form](#)

[Online Membership Application](#)

### GO TO PHYLAXIS SITE

The Phylaxis Society is not a Masonic organization, but is a voluntary association of Freemasons who wish to learn more about Prince Hall Freemasonry, the branch of Freemasonry that derives from the predominantly African-American lodges and grand lodges having African Lodge 458 as their ancestor. Our motto says that we are a society of Prince Hall Masons, but we accept into membership any Freemason whose grand lodge is recognized by the Conference of Prince Hall Grand Masters or recognized by the United Grand Lodge of England.

### GO TO PHYLLIS SITE

The Phyllis Chapter is an association of Eastern Stars adopted by the Phylaxis Society who meet annually at the same time and place as the Phylaxis Society.

### GO TO WALKES SITE

Joseph A. Walkes was the founder and first president of the Phylaxis Society. During his lifetime, he selected some of his writings to be placed on his personal web site. Joseph A. Walkes, Jr. is an acknowledged expert on the history of Prince Hall Freemasonry.

### GO TO WILLIAMS SITE

John B. Williams, during his term as third president of the Phylaxis Society, selected several images and writings to be featured on his personal web site.

### GO TO BOGUS MASONS SITE

A passion of the founder and first president of the Phylaxis Society was exposing those organizations and associations who style themselves as Masonic, but who are not acknowledged as being Masonic by legitimate Masonic authority. This branch of our web site contains the work of the Joseph A. Walkes, Jr. Commission on Bogus Masonic Practices established by the Phylaxis Society to educate the public about these groups.

### GO TO CHI RHO SITE

The Chi Rho Fraternity is an independent organization that meets at the same time and place as the Phylaxis Society and that takes its members only from members of the Society.

## Membership Ledger Page - Deceased

The membership ledger page is designed to record a member's status as well as the member's history. It continues to track members after they are deceased because these records are used in our Magazines Database to track authors. Personal history includes whether or not a member has received the medal of excellence or has been inducted into the Hall of Fame. Additional history can be recorded in the MEMO section and in the JOBS section.

## Membership Ledger Page - Active

Each of the entries on the bottom part of the ledger page is stored in its own data table and each can have multiple entries. For example, every member can have multiple phones, e-mail addresses, payments, memos, and jobs, as well as multiple mailing addresses. Only one mailing address should be identified as primary.

## The Magazines Database

This database is designed to store the tables of contents (TOCs) for each of our magazines. It is a work in progress because we have not found copies of all our magazines as of this writing, so we cannot summarize the TOCs of those missing magazines. This database will be a valuable research resource when this database is brought up to date and each article has an informative synopsis.

## The Phylaxis Society

### ABOUT THE PHYLAXIS SOCIETY

THE PHYLAXIS SOCIETY is an international organization of Prince Hall Freemasons dedicated to studying the life of Prince Hall and researching the history of Prince Hall Freemasonry. The Phylaxis Society was designed to create a bond of union for Masonic writers and to educate Universal Freemasonry about Prince Hall Freemasonry. The Society has become the leader in its field: encouraging Prince Hall Masonic Study and stimulating the writing of accurate and interesting articles for our own publication. In this manner it fosters the close, human relationship that is the ideal of Freemasonry. The Society in no way interferes with the legislative and ritualistic affairs of any Masonic body.

The word PHYLAXIS is pronounced fil-lak-sis. Phyl is Greek for tribe, clan, race, and is akin to the Greek word 'phyein' which means to bring forth - more to be. PHYLAXIS means to guard and preserve. Symbolically we interpret it as to bring forth more light in Masonry, and to guard the Prince Hall Fraternity against its enemies using the truth to preserve our Masonic heritage.

### ACTIVITIES OF THE PHYLAXIS SOCIETY

*The PHYLAXIS Magazine* is one of the finest publications in all of Freemasonry. Members will find it interesting and informative Masonic reading. Members also receive information about current Masonic research projects, and they are provided an opportunity to make contributions to the magazine.

**Notes, Queries and Information of Masonic Interest.** Space will be devoted in various issues of the PHYLAXIS magazine to special Masonic studies, Masonic curios, items of special interest concerning Masonic history, biography, etc., and other unusual Masonic data as listed, with the request that members of the Society who have additional information on any of these topics communicate with the members who present the original item. This leads to many valuable and interesting personal contacts and often to lasting friendships.

**The Phylaxis Web Site.** You are there now. You will be able to explore the major sub-sites using the navigation links in the upper right corner of each page:

- [Phyllis Site](#)
- [Walkes Site](#)
- [Chi Rho](#)
- [Commission on Boqus Masonry](#)

**Certificate of Literature.** Each year the member who writes the article judged to be a Masterpiece, published in the PHYLAXIS magazine during the year, is awarded the "Certificate of Literature." This award not only encourages better writing, but will add incentive to more research into Prince Hall Masonry.

**Ira S. Holder, Sr F.P.S. Certificate of Literature** awarded to those who write "Masterpieces" on Prince Hall Freemasonry, and are not members of the Prince Hall fraternity.

**Jno. G. Lewis, Jr F.P.S. Medal of Excellence** awarded annually to the most outstanding Master Mason in Prince Hall Freemasonry.

**Dr. Charles H. Wesley, F.P.S. Medal of History** awarded annually for the best written article on Prince Hall Masonic History.

**Lux e Tenebris Research Chapter**, a unique chapter that researches all aspects of Freemasonry and publishes its transaction of papers written by, and critiqued by its members.

**Phylaxis Masonic Hall of Fame**, which honors all "regular" Freemasons of the past who have contributed outstanding service to Prince Hall Freemasonry.

## *The Phylaxis Society* **OUR CONVENTION**

[2015 Convention](#)

Our annual convention is held in March on the weekend closest to March 6th, the anniversary of the initiation of Prince Hall and fourteen other men of color to become the first African-American Masons in America.

All members and fellows of the Phylaxis Society are encouraged to attend this annual convention. The price of registration admits you to all of our workshops and to many of our evening events. It also includes lunch on Friday and Saturday, and the banquet on Saturday. The Thursday tour is separate, as are activities of the Chi Rho fraternity. When the convention is held in a state where mutual recognition has not been established between the resident grand lodges, some restrictions may be placed on mainstream Masons if lodge visitations are scheduled.

### Joint Conference with the Philalethes Society

August 27, 2011 is the date set for the first ever [joint conference](#) between the Phylaxis Society and the Philalethes Society.

Thanks to an influx of new members and subscribers, the Phylaxis Society is growing stronger. Discover the excitement by participating at our annual convention. Find more details at [Current Convention](#). If you have never attended a Phylaxis Society convention, take a close look at our pictorial of the [2009 convention](#); you can also get a feel for it by visiting 2006 Convention [photos](#) and [agenda](#), 2007 Convention [photos](#) and [agenda](#) and so forth. Two full days of Masonic seminars and workshops has a compelling effect on Masons, and the written proceedings capture only a hint of the excitement created during the critiques and comments given while our workshops are in progress. The conventions of the [Phyllis Chapter](#) have a similar effect on Eastern Stars.

### BLUE-LITE

Blue-Lite is an Internet discussion group at <http://groups.yahoo.com/group/Blue-Lite/>

The moderator of Blue-Lite, Brother Ezekiel M. Bey, and the Phylaxis Society have entered into an agreement for a limited partnership in support of our mutual goal of Masonic education. As part of this agreement, we share with you the first edition of the Blue-Lite newsletter, [Beyond The Lite](#) for your enjoyment.

Members who have a user name and password can access and update their phone number, address, and e-mail address online. They can see other membership data, but cannot update everything on their own. Errors must be corrected by the Financial Secretary.

## REGISTER ON THE WEB SITE

Before you can access your data on the web site, you must establish a *Username* and *Password*. You do this by registering. To find the registration page, open the web site and click on *LOGIN*, which you will find at the bottom of the navigation list on the left side of every web page. Then, on the *LOGIN PAGE*, click on *REGISTER*. You can also use the following link in your browser:

<http://thephylaxis.org/phylaxis/register.php>

You will need to provide an authorization code before you will be allowed to register. If you received Volume XXXVII Number 1 of *The Phylaxis* magazine in the mail (it is the one with James "Rocky" Dallas on the cover) the number you need is printed to the right of your name on the mailing label. If you do not have the magazine, request an authorization number from the web master using the link on the registration page to *obtain one*.

## VALIDATION

Having registered, your eligibility to access the web site will still have to be validated. Initially, you will be able to log into the restricted area of the site as a general member. Before you can access the area reserved for officers of the Society, the webmaster must validate your registration. He will do so automatically within a day or two after you register successfully. Return to the *LOGIN* page and enter your new username and password to gain access to the restricted area. In the future, you will only need

## MyData Instructions (page 2)

to login to access the restricted page. After you log in, you will be able to visit *My Data* to see your membership data such as is shown above.

### CORRECTING YOUR NAME

If your name, title, or joining dates are incorrect, type the corrections at the top of the form and click on SAVE CHANGES to save the change in the database. You will be able to see your membership status in the Scottish Rite Research Institute or the York Rite Research Institute, but you will not be able to change them on your own. If any of disabled data is incorrect, contact [webmaster@thephyllaxis.org](mailto:webmaster@thephyllaxis.org) to request that it be corrected.

**DATES:** Entrer dates in the following format: yyyy-mm-dd. This is the four-digit year, dash, two-digit month, dash, and two- digit day. If the month or the day is only one digit, make it two-digits by putting a zero in front: 2010-06-15.

### NOT YOUR NAME ?

If the name and all other data is incorrect, contact the webmaster and ask him to help you fix it. Do not continue if you are on the wrong page.

### ADDRESS, PHONES, ETC

It is possible for you to add multiple entries for address, phone, email, notes, and jobs. If you add anything by mistake, you will have to contact the webmaster to have the incorrect entries removed. If you only need to correct the spelling of something, you can do this yourself as follows:

**Corrections.** Click on the pencil-shaped icon, make the changes on the new screen, then save the changes.

**New Entries:** Click the check-mark icon to access a new screen, enter the data on the new screen, then ADD the entry.

**Caution.** If you show multiple addresses, one of them MUST be identified as PRIMARY, otherwise no mailing label will be printed for you when we mail the magazine. Be careful to identify only one mailing address as primary. If you have two primary addresses, we have no way to know which one you want us to use.

**JOBS:** Please create an entry for every office you have held with the Society. For the 'from' and 'to' dates, you can only put the year. Be sure to indicate a correct category for the job. The category 'Appointed' should not be used for officers of the Council of 459 or the Council of Representatives because there is a specific category for those officers. If you serve in a position at present, leave the "TO" date blank.

## Officer Roster

Members who are coded in the database as elected or appointed officers are listed on this roster automatically. They appear even if they are suspended, deceased, or not members. This roster is busy but is a better administrative tool than the one in attachment 17.

## Renewal Notices

Members are reminded of their renewal dates on their magazine label, so they can pay their renewal fee in advance if they want to do so. When they fall behind, they receive one of three kinds of renewal notice depending on how far behind they are. This sample report was printed February 11, 2015, so the first notice is sent to those with renewal dates in January 2015. Those with renewal dates in December of 2014 receive the second notice, and those with renewal dates in November 2014 receive the third notice announcing their suspension.

## Preview of Delinquent Members

The membership database identifies members who are eligible for suspension, but no one is suspended until the Financial Secretary authorizes the action. He can run this report to preview the names that have been selected if he wishes to do so.
